WARRANT.

STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Plymouth in the County of Grafton, in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at the town hall in said Plymouth on Tuesday, the ninth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

1. To choose a town clerk, three selectmen, a town treasurer, a collector of taxes, an overseer of the poor, a highway agent, and all necessary town officers.
2. To choose one library trustee for the term of three years.
3. To raise such sums of money as may be necessary for defraying town charges, and make appropriation of the same.
4. To see what sum of money the town will vote to raise or appropriate in addition to that required by law for the support and maintenance of the Free Public Library.
5. To raise such sums of money as may be necessary for the repair of highways.
6. To see what sum of money the town will vote to raise or appropriate, in addition to that required by an act of legislature approved February 24, 1905, to be used for permanent improvement of its main highways, such improvement to be made under the advice of the state engineer.
7. To see what sum of money the town will vote to raise or appropriate to pay firemen.
8. To see what sum of money the town will vote to raise or appropriate for the decoration of soldier's graves.

9. To see if the town will vote to authorize the selectmen to borrow money to pay the debts of the town and give notes therefor countersigned by the town treasurer.

10. To hear report from present board of selectmen in regard to fire proof vault, and take any action in regard to same.

11. To see what sum of money the town will vote to raise or appropriate to pay the Keniston Band for open air concerts during the summer of 1909.

12. To see what action the town will take in regard to renewing the lease of the town hall of the Draper & Maynard Co.

13. To hear the report of committee appointed at the last annual meeting and to see what action the town will take in regard to re-adjusting the salaries of the various town officials.

14. To see what action the town will take in regard to celebrating Old Home week and see what sum of money it will raise or appropriate for the same.

15. To see if the town will vote to purchase land and build a town hall and to see what sum it will raise or appropriate for the same.

Given under our hands and seal this twentieth day of February, 1909.

REPORT OF SCHOOL BOARD.

In accordance with the usual custom we herewith submit the annual report of the School Board of Plymouth, N. H. The following pages contain the usual statistical tables, the treasurer's report and a report of all orders drawn by the School Board to meet the necessary expenditures for the financial year of 1908-9. We would suggest that the tax payers of the Plymouth School District examine these pages with care.

The itemized report of the Board indicates the amount which has been expended for repairs during the year, also the amount paid for grading the High School grounds. It has long since been the plan of the Board to grade the lot opposite the High School building but the work has been delayed until this year. This lot, which contains an acre and a half of land has now been put in shape so that it is no longer an unsightly place but will compare favorably with the rest of the grounds owned by the district.

The schools directly controlled by the School Board, viz., the High School and the district schools, are following the same outlines of study and are governed mainly by the same policy as when last reported. Changes in the teaching force have, of necessity, been made from time to time. We feel that good thorough work is being accomplished in these schools. It is a matter of great regret that, owing to an increase in the number of pupils in the Model and State Normal schools, the trustees of the school voted to establish for a time, the "one-session plan, for the primary grades. Whereas, the sanitary conditions of the building are such

that perhaps this was advisable. We trust that, at an early date a satisfactory arrangement will be made whereby our children will be allowed full school privileges, without detriment to their health.

Respectfully submitted,

EFFIE K. GORE,
C. J. AYER,
C. J. GOULD, }
} *School Board.*

February 23, 1909.

WATER COMMISSIONERS' REPORT.

Year Ending January 1, 1909.

The efficiency of our water system has been fully maintained. Its sanitary condition has been demonstrated by frequent analysis of the water. The pumping system has furnished the precinct with an abundance of pure water during the past dry season. The large reservoir and wells connected have been thoroughly cleaned and the wooden curbing of the wells has been replaced with brick. One new well has been added to the system, and the grounds about the reservoir have been cleaned and the underbrush removed.

An extension of 200 feet of 4-inch cast iron pipe and one hydrant have been added to the system on High street, and 600 feet of 3-4-inch galvanized pipe in High and Wentworth streets.

The treasurer's report shows the system in a good financial condition. Its earnings have increased each year by the addition of new services. Besides the interest charges, the balance of \$500.00 on notes has been paid, reducing the indebtedness to the amount of the outstanding bonds which are \$31,000.

The sum of \$1,300 for water for District purposes has been sufficient for the past few years, and we recommend that the district vote to raise that sum for the ensuing year.
